

For those of you that do not know me, my name is Billy Gurin. I am the Team Director at FlipStar Gymnastics Academy in New Lenox, IL and more importantly a member of the IL Gymnastics for the past ten and a half years. Although I am still relatively novel, I am constantly learning and trying to aid our community in any way I can, whether that be as a coach, judge, or potential chairperson. I've included a detailed outline of my tenure with Illinois Gymnastics for you below. With that in mind, it would be an honor to serve on behalf of the Illinois gymnastics community as the Xcel Gold, Platinum, and Diamond Chairperson on the State Committee.

If elected, it is my hope to:

- represent each of our members equitably to the rest of the committee.
- work with my peers to implement a system that better addresses the needs and desires of our WHOLE community.
- aid our Xcel community in every way possible.
- ensure that each member of our community has the same opportunities available to him/her while remaining true to rules and policies of both Illinois and USAG Gymnastics.

With that being said, I cannot thank you all enough for this opportunity and hope that you will support me in this endeavor.
