Development Chair Position

I would be honored to continue to represent and further my involvement in our sport of gymnastics as a member of the Illinois State Committee and retain my position as Development Chairman. To continue to contribute to the education, growth and development of Illinois Gymnastics Community. To listen and bring ideas to the Illinois Committee from Coaches, Judges, and Clubs.

I believe I have meant all the requirements of the Development Chairman and have went above what the requirements say. Not only to help the club but coaches and gymnasts also, and will continue to do so if re-elected. I believe I still have more to offer to the Illinois Gymnastics Community as a whole.

I developed the score tracking program that is used to track all gymnasts scores. I educate each year on the new rules and policies. By listening to coaches, judges, club owners on their concerns and ideas for Illinois Gymnastics and ways to better Illinois gymnasts and taking into consideration what is best for the entire Illinois Gymnastics Community.

I have worked in Illinois Gymnastics for the last 35 years in many capacities:

Meet Director

Office - Many positions

Level 4-5 Judge

Illinois State Committee Member - Level 7 Chairperson and then JO - Development Chairperson
